Caring Honesty Respect Responsibility Faith

Central Florida YMCA Mission Statement

The purpose of this Association is to improve lives of all in Central Florida by connecting individuals, families and communities with opportunities based on Christian values that strengthen Spirit, Mind and Body.

Developmental Camp Schedule

The camp schedule includes two separate sessions per week for a total of 4 weeks, each approximately one hour and fifteen minutes in length. At the conclusion of the second session, two fifteen minute games are played, allowing the campers to utilize the skills learned during the day among the group.

Learn By Watching Staff Demonstrations

A key element of the developmental camp philosophy is giving participants an opportunity to observe staff members demonstrating the skills to be taught in that session. The initial ten minutes of each session will include this important learning experience.

Learn By Practicing

The bulk of each session is occupied by skill development, allowing campers to participate under the direction of staff members. Fundamentals, as well as tactics, are emphasized through drills, games and individual instruction.

- Technical Development
- Small Group Practices
- Character Development
- Confidence
- Sportsmanship
- Health and Nutrition

Learn By Playing

Campers are organized into teams and encouraged to apply their skills and tactics in a game situation supervised by staff members. This is the culmination of the "watch, practice, play" coaching method.
