**Summer Camp 2008!!!**

Looking for a place for your children to have a great experience during their Summer Holiday? Try our Y day camp! The spiritual, mental and physical growth of our campers are the main goals of day camp. Through the leadership of highly trained counselors, we aspire to help campers develop by sharpening their skills in camp activities, by teaching them to cooperate with a group, and by teaching responsibility. YMCA campers will have an opportunity to learn, grow and have fun as they meet new friends, try new things and achieve greater confidence in themselves. Campers will participate in swimming, games, songs, theme days, arts and crafts, field trips and much more.
