By signing, I verify that the participant is in good physical condition and I will waive all responsibility to the Central Florida YMCA, Directors, Sponsors, and Volunteers for any injuries. I also understand that aquatic activities may be dangerous and may cause minor or serious injury to my child. I also will allow the Oviedo YMCA to use my child's photograph in promoting the youth sports program. I also understand that there is no make-ups on missed classes unless the pool is closed due to maintenance problems. I understand the first maintenance lesson will be a Water Safety Day, and any other make-up lessons will be determined by the Instructor and/or Coordinator. I support the YMCA philosophy, which is based on family involvement, fun, participation, fair play, skills, teamwork, fitness, volunteers and character development.
